

REMARKS

The present Amendment is in response to the Examiner's Office Action mailed June 29, 2006. Claims 1-12 are cancelled and new claims 24-30 are added. Claims 1-12 and 24-30 are now pending in view of the above amendments.

Reconsideration of the application is respectfully requested in view of the above amendments to the claims and the following remarks. For the Examiner's convenience and reference, Applicant's remarks are presented in the order in which the corresponding issues were raised in the Office Action.

Please note that the following remarks are not intended to be an exhaustive enumeration of the distinctions between any cited references and the claimed invention. Rather, the distinctions identified and discussed below are presented solely by way of example to illustrate some of the differences between the claimed invention and the cited references. In addition, Applicants request that the Examiner carefully review any references discussed below to ensure that Applicants understanding and discussion of the references, if any, is consistent with the Examiner's understanding.

I. Allowed Subject Matter

The Examiner's allowance of claims 13-17 is appreciated. Applicants wish to thank the Examiner for the careful review and allowance of those claims. New claims 24-29 depend from claim 13 and new claim 30 depends from claim 15. As such, the Applicants submit that claims 24-30 are allowable at least for the same reasons as claims 13 or 15.

CONCLUSION

In view of the foregoing, Applicants believe the claims as amended are in allowable form. In the event that the Examiner finds remaining impediment to a prompt allowance of this application that may be clarified through a telephone interview, or which may be overcome by an Examiner's Amendment, the Examiner is requested to contact the undersigned attorney.

Dated this 29th day of September, 2006.

Respectfully submitted,

/David A. Jones/ Reg. # 50,004
